3

SPONSOR

You can sponsor a child to receive the gift of Camp. See campseggie.ca

From our Directors

Thank you for making 2015 a record breaking summer!

We can't believe that 2015 is almost over! With over 800 campers through our doors this summer we couldn't keep Camp running without the generous support of our donors, families and churches. Here are some highlights of our Summer!

This summer we had 43 amazing staff who committed their summer to loving kids and the ministry of Camp Seggie. Our LIT program saw over 20 youth learn and grow in leadership and faith as they completed a 4 day canoe and camping trip.

As always our Camp Seggie program can't be beat and this years Program Directors brought themes and skills to new levels! New this year was our Outdoor Survivor Skill as well as our "Lab" skill, where campers even made their own model rockets and shot them off!

Through a generous donation from the Canadian Bible Society we were able to give out over 400 Bibles to campers this summer!

We are already busy planning for our 2016 season with readying staff applications, opening registration and planning facilities improvements!

Thank you again for your support of Camp Seggie. We, along with Seggie's Board of Directors wish you all a very Merry Christmas and Happy New Year!

-Bob and Hannah Terpstra, Executive Directors.

Donors Make Camp Possible!!

As the largest children's and youth ministry on PEI, Camp Seggie relies greatly on Donor support. Generous donors contributed to 30% of Camp Seggie's expenses in 2015. We strive to make Camp Seggie a safe place for Island Youth where they can learn, grow, be accepted and discover God's love. Camp Seggie needs your support to continue this important Island ministry. Check out campseggie.ca for more details on how to give.
